As the end of this school year is approaching we are looking ahead to the following year.

Attached is the transportation request for Groveport Madison residents.

- Remember the student's legal guardian must live in the school district to receive busing services from us.
- Each student will need to fill a form out. No current students will be rolled over in our system.
- We will need these forms back by June 15th, but forms can be submitted throughout the summer as needed.
- Use this form throughout the year for new enrollees, address changes or babysitter requests.
- Families can use a "babysitter" for pickup or dropoff as long as the address is in the school district and is not a daycare. Pickup and Dropoff must be the same Monday through Friday, but can be different AM or PM.
- Kindergarten students must have a parent or guardian at the stop AM and PM.
- Bus stops are school board approved and we do not make house stops.

Some other items of importance:

- Email or fax the school calendar
- Let me know the bell times and what times we can unload/AM and load/PM
- Does your school have a bus lineup?
- Please submit contact names, numbers, email addresses and an after-hours emergency number
- When Groveport has a weather delay or closing, all buses are affected
- Please email withdrawn students throughout the year, so we can keep an accurate count.
- Feel free to call 614.836.4962 or email dmcallister@durhamschoolservices.com with any questions or comments
